WIN THIS ART BASKET!

Your child will have a chance to win this Kids Art Basket with more than a dozen items to inspire their creativity. At every class session each child will receive a raffle ticket for a chance to win the basket. Drawing will be held after the last class session on July 6th.

Our WHAM Kids Arts & Crafts monthly and summer break classes are designed for children 8 to 12 years old. So much fun for the children in our local communities. If you would like to donate to support kids in art programs, we are currently seeking donors and sponsors to reach our goal of \$5,000 for 2023. For \$25 minimum donation you will get your name on the wall and an apple filled with goodies!

We can't do this successfully without help from our wonderful sponsors. Will you consider a gift in kind to the program? Your donation helps a child attend camp that otherwise would not have the opportunity.

Your donation will make a difference in a child's artistic growth - many of the public schools no longer have art in the classrooms. Please contact [Dede Robinson](#).

Bowls of Hope! Getting a head start for the Annual fundraiser in December! Mark your calendar!

The photo is of Mike Brunson, Mike Verhoeks, Ed Goodman and Connie Whitlock all throwing clay bowls for our annual "Bowls of Hope" fundraiser. This will be WHAM's 9th year making the Bowls of Hope fundraiser to raise money for 7 local charities, 3 food banks, a human trafficked girl's shelter, a youth homeless shelter, battered women's shelter and are adding a homeless young adult center in Surprise. Sun City West Clay club and others help WHAM members make the bowls.

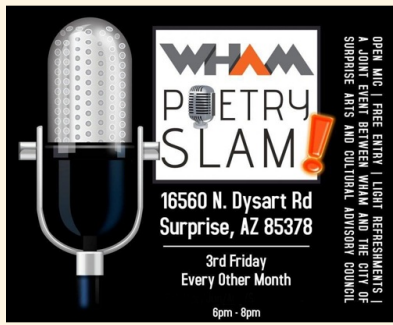

The event is held at WHAM, in the parking lot, on a Saturday with over 500 handmade bowls for sale at \$12 to \$15. All the proceeds go to the above charities to help feed the many who don't have enough food during the year. This year's event will be on December 2, from 9 to 3 p.m. This is a great way to give back during the holidays.

Creating Art!**

Finding the Artist Within is a special needs program for those with physical disabilities, cognitive, developmental, and mental health disorders. The creative process in making an art piece offers persons with physical or cognitive challenges the opportunity to further develop skills, interests and competencies across their lives. WHAM offers ongoing studio-based classes staffed by practicing artists who provide support and assistance to the students.

Our WHAM classroom has a wheelchair accessible entrance, located in a quiet area at the art center

A lunchroom is available for use by those attending the program giving them an opportunity to finish with lunch together (lunch is not provided.) Clay Highlights!

Be sure to check out our website for new classes being added to date. Mike Sampson has done a fantastic job teaching our beginning wheel classes. Our hand-build clay classes have also been extremely well received. Alisa Lee and Connie Whitlock have been the warriors bringing the know-how to all our students. Glazing is often perceived as mysterious

and scary. Carol Commins made it fun and approachable. More classes on how to glaze and how to spray glazes are in the works.

WHAM continues to enjoy a growing clay community. We have had some of our members go back to their summer homes only to express how excited they are about returning soon to continue creating. This excitement is also being shared with more of our newest members. Summer is a great opportunity to become more involved in clay when it is so hot outside. Wednesday evening open studio is available to our clay members. Do you have a small group that would like your own private classes, let us talk. Come see us and see what the West Valley and WHAM has to offer to express yourself in Clay!

WHAM Member News!

- **WHAM in Community!** WHAM's Artist, Kamron Horton, provided an art experience in Buckeye for the Juneteenth Celebration. This celebration is to remember the day that America's Slaves were told they were Free. Kamron made a huge canvas with a collage on it to recognize Juneteenth asking some of the local residents to participate in making the art piece. The project was to create a piece of public art that ties in with Buckeye's Library Summer Reading program theme and Juneteenth – "All Together Now". Thank you

Kamron for your work in the community.

Looking for a studio space to create glass art?

From Connie Whitlock

To all of you artists who work with glass, I am asking if you would be interested in a secure, studio space to work in. This space includes several small grinders, a small glass kiln, cutters, a large work table, padded flooring and a storage space that can be locked.

This studio space will be available in the fall. The intention is to rent this studio to several people to share with special access just for making glass art. The rental fee will be \$150 per month and you will have access to all of the equipment plus locking storage space for your glass and tools.

If you are interested, please contact me in the next few days. If our members are not interested, we will send this out to the public so that they may take advantage of this great opportunity.
