Women 4 Women meet June 19

Women 4 Women will meet up June 19 at WHAM to help Women4Women in Surprise, a local nonprofit, to assemble bags of feminine hygiene products to be given to the local food banks. A donation of pads (not maxi) or tampons would be greatly appreciated. Please join us! Future events September 18.

WHAM APPLES for ART Campaign supports our Summer Art Camps 2023 by giving the gift of art to our community kids.

Summer is here, and WHAM is hosting the kids Summer Camp sessions. Our WHAM Kids Arts & Crafts monthly and summer break classes are designed for children 8 to 12 years old. So much fun for the children in our local communities. If

you would like to donate to support kids in art programs, we are currently seeking donors and sponsors to reach our goal of \$5,000 for 2023. For \$25 minimum donation you will get your name on the wall and an apple filled with goodies!

We can't do this successfully without help from our wonderful sponsors. Will you consider a gift in kind to the program? Your donation helps a child attend camp that otherwise would not have the opportunity.

Our classes this summer will be 2 sessions, one in the AM one in the PM. Some students bring a sack lunch and stay for both sessions.

The classes are scheduled from June 6th thru July 13th. on Tuesday, Wednesday and Thursday 10:00-11:30 and 12:00-1:30.

Your donation will make a difference in a child's artistic growth - many of the public schools no longer have art in the classrooms.

Please contact Dede Robinson at dede.robinson@wham-art.org.

• **WHAM's remodeled clay studio is a big hit.** Well, the dust has finally settled. We have finished the expansion of our wheel room. Accommodation for two more wheels has been added. In the infamous words of singer Billy Preston, "the world goes round in circles." Sometimes, sitting down at the wheel is just what makes the world right.

Be sure to check out our website for new classes being added. Mike Sampson has done a fantastic job teaching our beginning wheel classes. Our hand-build clay classes have also been extremely well received. Alisa Lee and Connie Whitlock have been the warriors bringing the know-how to all our students. Glazing is often perceived as mysterious and scary. Carol Commins made it fun and approachable in her last glaze class. More classes on how to glaze and how to spray glazes are in the works.

WHAM continues to enjoy a growing clay community. We have had some of our members go back to their summer homes only to express how excited they are about returning soon to continue creating. This excitement is also being shared with more of our newest members. Summer is a great opportunity to become more involved in clay when it is so hot outside. Wednesday evening open studio is available to our clay members. Do you have a small group that would like your own private classes, let us talk. Come see us and see what the West Valley and WHAM has to offer to express yourself in Clay!
