

“The Five C’s of Arizona” Exhibit at the WHAM Gallery

Call Description:

For thousands of years, people have lived on the biologically unique land we call Arizona. The Five C's of Arizona – **copper, cattle, cotton, citrus, and climate** – drove the economy in its early years until it became a state in 1912. Till this day, the Arizona seal commemorates the everlasting significance for these elements both historically and culturally. The WHAM Gallery invites WHAM members of all levels (emerging to established) to submit original artwork dedicated to the Five 5 C's of Arizona to this Juried art exhibit. We encourage and welcome 2D and 3D artwork. For inspiration and motivation check out this video:
