WHAM ART CENTER FUNDRAISER SUPPORTING COMMUNITY ART

The goal of the annual fund-raiser is to provide an outlet for area artists and creative types to transform discarded furniture and home goods (like items found at garage sales, thrift stores, or in your own home) into one-of-a-kind treasures, which are sold to raise funds for WHAM Art Center supporting their many community provided art experiences, and to remind us all of what's possible when we reuse, repurpose and recycle.

Theme awards will be determined by the panel of judges and be presented to the **Designer or Design Team**.

Top 'Oregon-ize It' Design; **Top** 'Out There' Design; **Top** 'Odd Couples' Design ;**Top** 'Entertain Me' Design
